

Don't you dare
take the jobs I
want.

You can come
I'm the cute one
who likes people.

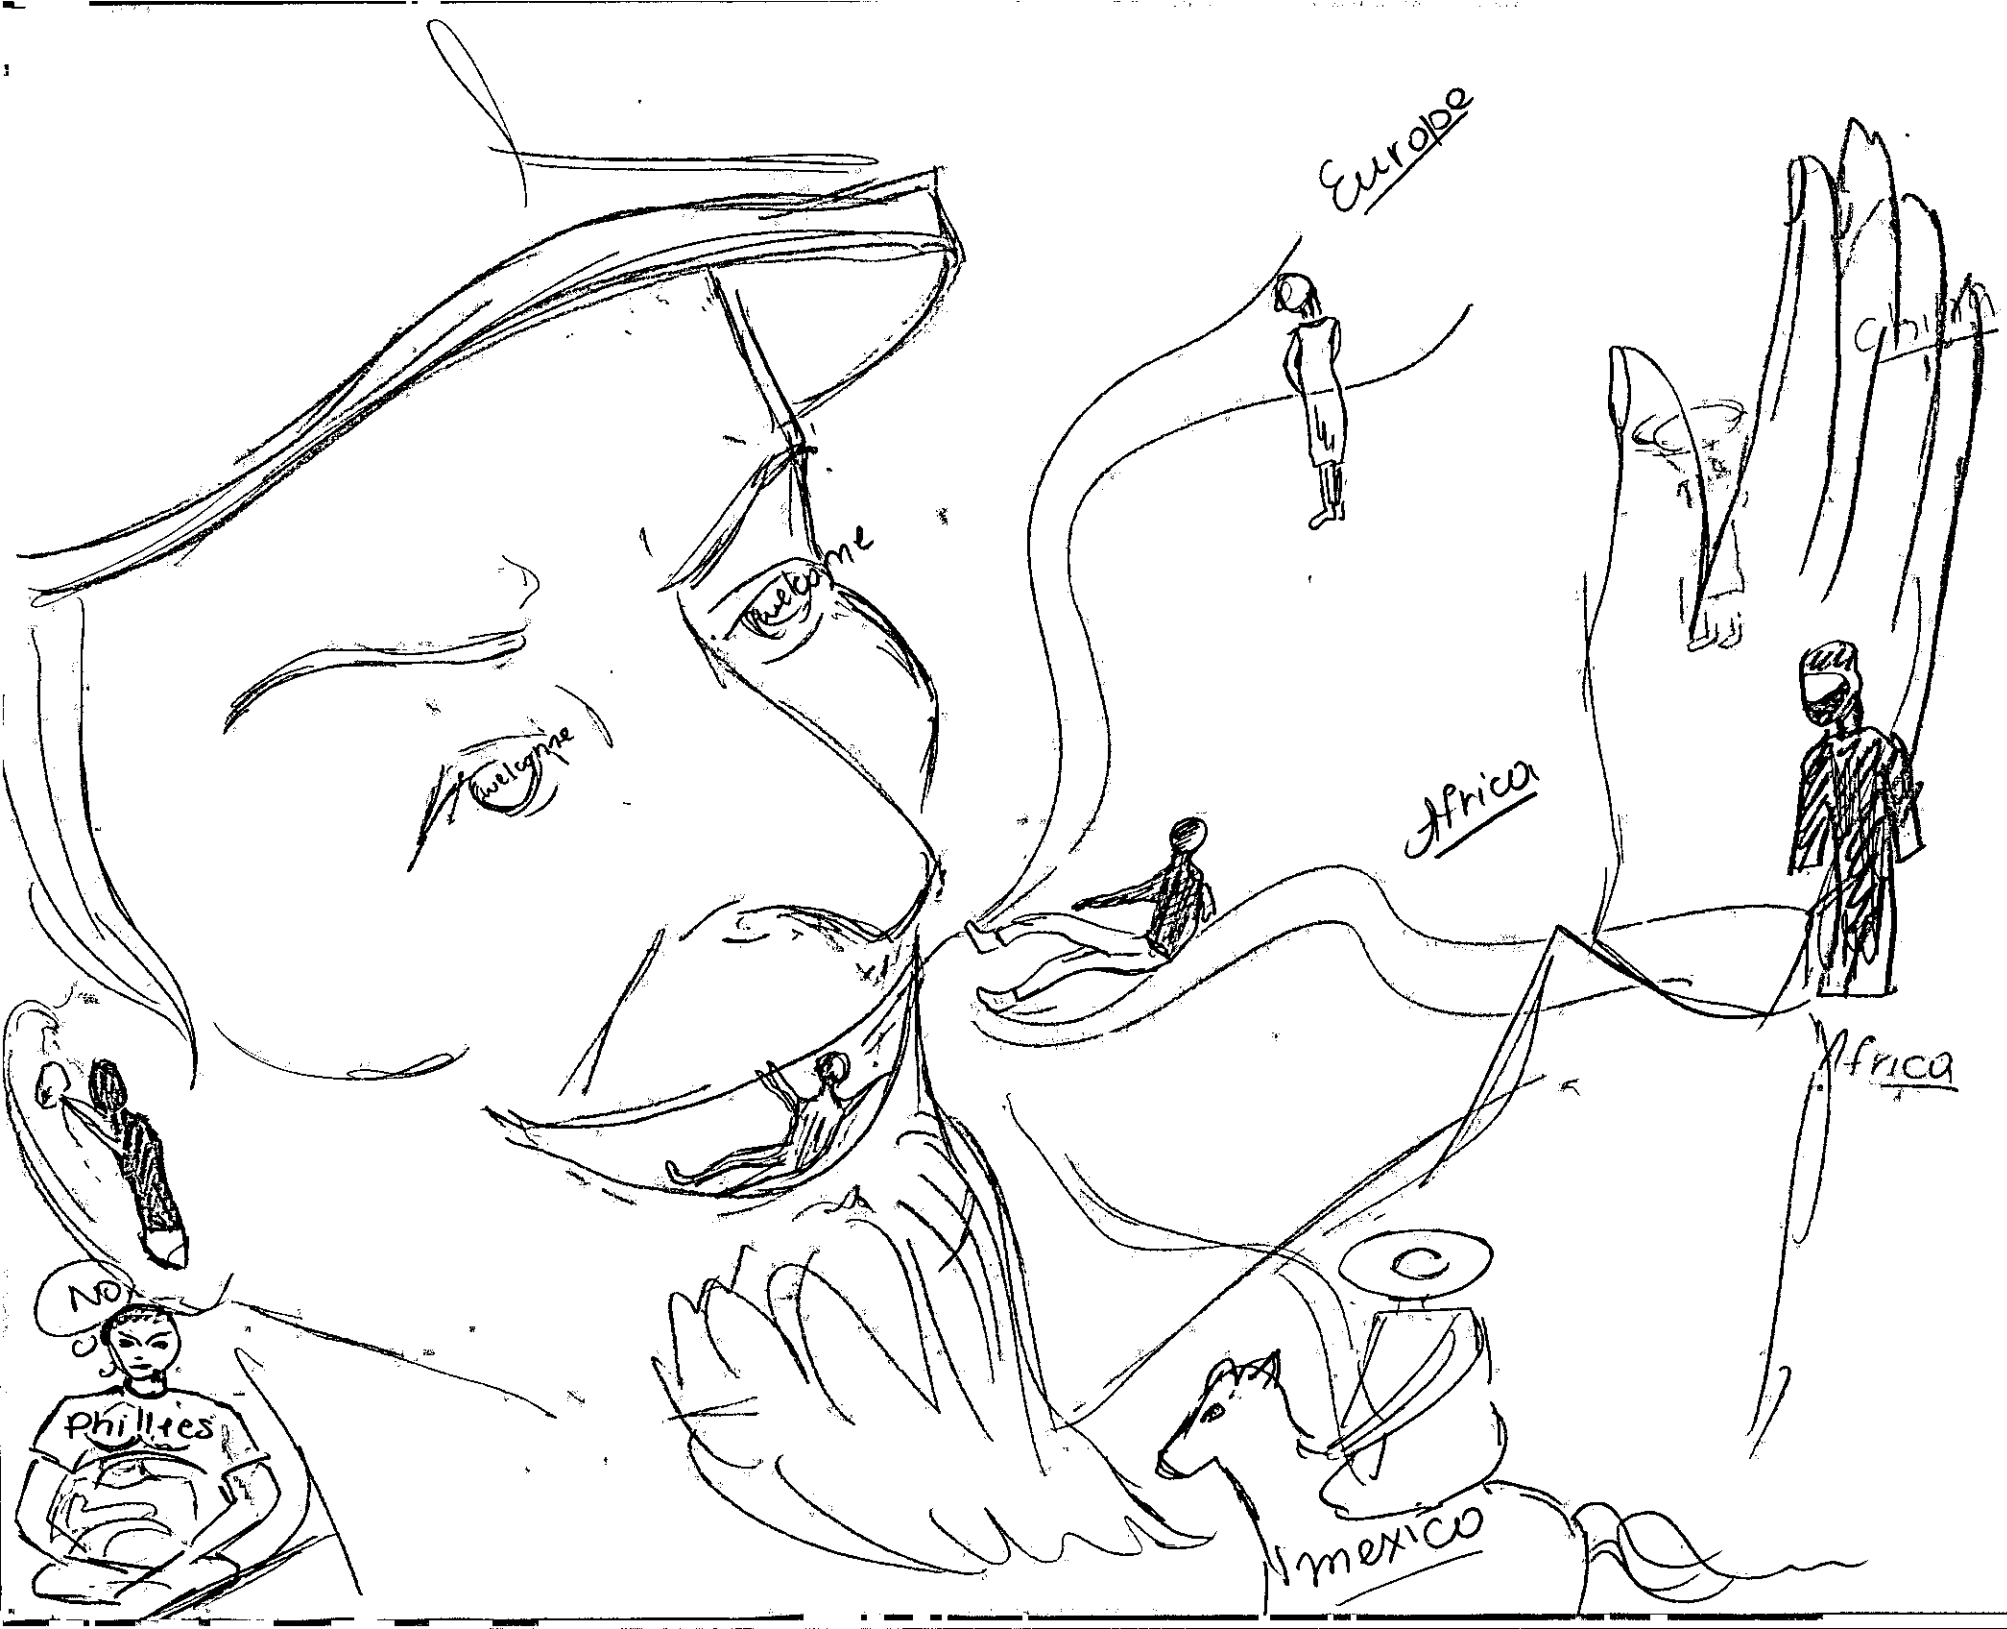

Come don't
my difficult
work.

you may come
but I only have
bad bones to offer!

What are we showing from the drawing is
the guy with the beard who is really happy
and welcoming the immigrants to ~~the~~ US.
Immigrants are from all over the world,
and they are cleaning his beard & ears &
face. His eyes say welcome but All the
~~best~~ Immigrants. do dirty job in ear

~~and stop~~ and Sam stops
Arabic immigrants with his
hand.

Immigrants nowadays are more acceptable
however, Americans always achieve
to the highest rank while
immigrants work, mostly
from lower-class to reach

NO IMMIGRANTS

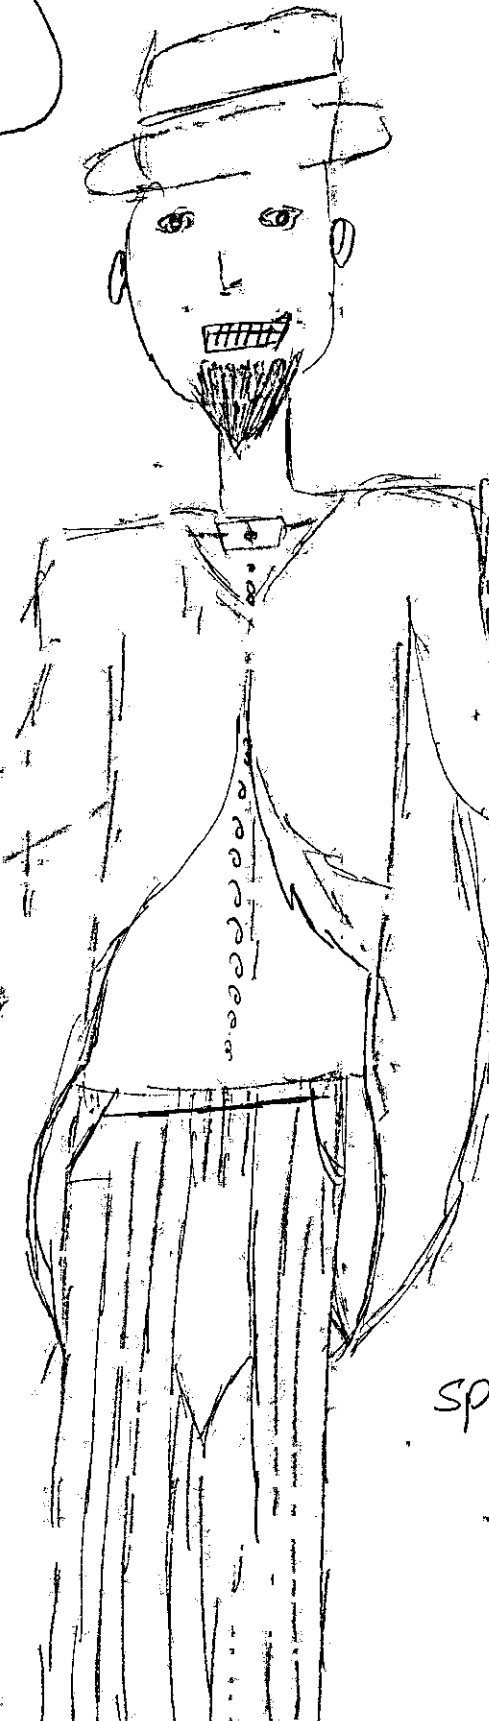

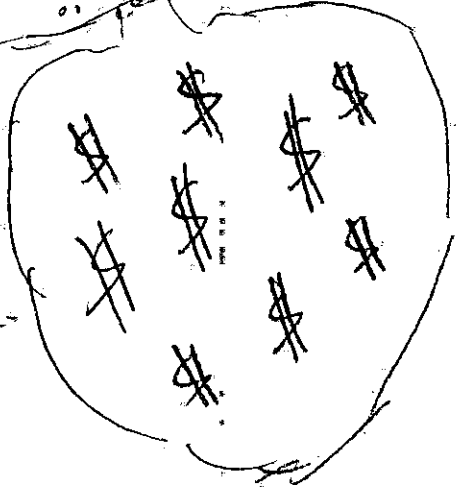

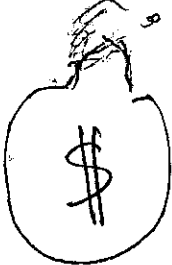

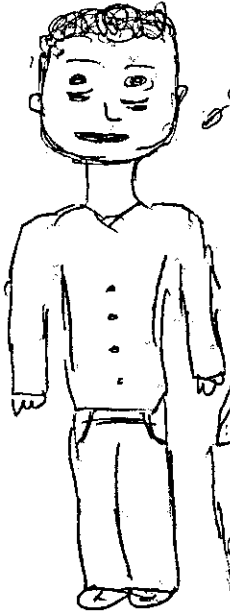

The immigrants are being forbidden to enter to pass to America. The robots are represented as immigrants because they have no say. The people are people.
