1. What do you think of this class? Elaborate as much as you want to.

I think this class is the kind that people actually learn things. However it is way too loud and noisy. If they was more composed it would make all

2. What do you like about this class? What don't you like? Why? ^{the difference.}

I like how we are updated with current events and its relevance to us as a class. I don't really like working in groups very much because sometimes work can be unevenly distributed.

3. What is your favorite class and why?

My favorite class is choir because it involves singing which I love, and it also involves a lot of activities outside the classroom. Very fun and hands-on.

4. Who is your favorite teacher and why?

My favorite teacher is Mr. Frank because he really pushes me to do my best. I can sense that he really cares and gives the absolute greatest support and guidance.

5. What would make this class one you look forward to and why?

I would look forward to more activities such as debates and friendly competitions in class. The kinds of debates we have done in class are too... planned, in a way. I would like a more spontaneous type of debate. Maybe it would be interesting.

6. What grade do you give me as a teacher? Please explain why you give that grade?

As a teacher I would give you a B+ because it is hard to teach a class and know all the information you know. You tend to make it look easy.
