1. What do you think of this class? Elaborate as much as you want to.

I think this class benefits the Normal teen moving on to college, because we learn new things About life, Every day we come.

2. What do you like about this class? What don't you like? Why?

I like the respect that the teacher gives us And the loyalty we as students show back!

I also like the class debate's It gets really crazy in here!

3. What is your favorite class and why?

My favorite class may just be this class b/c its challenging And my other classes are

Corny!

4. Who is your favorite teacher and why?

My favorite teacher is probably my 6th Grade teacher, she made everything we learned fun and exciting

5. What would make this class one you look forward to and why?

if this class had off topic debates about everything, if we got more group projects, And just laughter b/c everything

6. What grade do you give me as a teacher? Please explain why you give that grade?

A-

I give you a "A-"

(does not need to be so serious)

you got a negative for time-test lol!

because of your swagg! the way you make us laugh and have fun but still learn, And show us that education is important.
